VTP/ELB/VCF/Year 4 Topic

30th October 2017

Dear Parents and Carers,

Throughout term 2 we will be focusing on the topic of 'Water', and this will be incorporated across a range of subjects.

To enhance the children's learning, we would like to create as many opportunities for hands-on learning as possible. During our writing lessons we would like the children to create a newspaper report based on Finding Nemo. As part of this topic, we would like the children to watch the film to gain an understanding of the clip and also life under the sea. We would also like the children to take on the roles of the characters, where we would like the children to take part in an additional swimming activity.

For us to be able to do this we will need your consent. If you have any questions, please do not hesitate to ask your child's class teacher.

Yours faithfully

Mrs Francis

Mr Mojon

Miss Rowson
