Carol service at the Baptist church on 9th, 13th, 14th and 15th December 2016.

The PTFA are offering their help at the carol service this year, they will be in the hall at the church selling hot drinks and mince pies. We are also doing a little raffle and guess the name of the reindeer.

We are also organising a non school uniform day TBC to which this children will bring in a donation to take down to the church for the local food bank, we feel this this is showing Christmas also has other meaning and to help the less fortunate.

Other business

The PTFA are going to buy every child in the school a book like last year and to make it more exciting we are going to wrap these books up so its a surprise for the children, to do this the PTFA are going to do a wrap-a-thon to get all these books wrapped (date TCB).

Christmas trees – Luke is going to go out and buy a artificial tree this year, we discussed that buying a artificial tree it would save the school money in the long run.

We would like to welcome our new member Jenny Bryant to the PTFA.

Next meetings will be Friday 25th November 2016 2pm-3pm and Thursday 12th January 2017 9am - 10.30am.
