VTP/ELB/Sun Cream

19th April 2018

Dear Parents and Carers

Now that the weather is improving please remember that it is very important for children to have a water bottle in school to prevent dehydration, and we would recommend that you administer sun lotion to your child before they come to school in the mornings.

If you would like to leave some sun lotion in school for your child during the summer term please complete the permission form below and hand it to your class teacher with the lotion.

Please note that your child will need to administer the sun lotion by themselves, but they will be supervised by a member of staff.

Yours sincerely

Mrs V Pettett
Head of School

SUN LOTION

Would you please complete the form below if you wish the school to keep a small and clearly labelled bottle of sun lotion in school for your child to administer themselves on hot and sunny days.

This form, together with the sun lotion, should be given to your child's class teacher.

Child's Name: _____ Class: _____

I am happy for my child to administer sun lotion themselves when required.

Signed: _____ Print Name: _____

Contact telephone number: _____
