STP/ELB/PLH/Year 1/Builders

27th September 2018

Dear Parents and Carers

As part of our Year 1 learning, about materials and builders, we will be having a celebration creative dress-up day on Tuesday 9th October; where the children can come to school dressed as any type of builder.

They will be having three workshops, run by the class teachers and teaching assistants. These will include:

- Builders - building a wall
- Plumbers - pipes and water exploring
- Electricians – creating electrical circuits (safely using: crocodile clips, small batteries and small light bulbs).

The children do not have to come to school dressed up but if they would like to participate then they can be as creative as they like. Please do not feel that you have to buy an outfit, the costume can be old clothes with a homemade tool belt or paper tools.

If you have any questions please ask the class teacher.

Thank you for your ongoing support.

Yours sincerely

Miss Huggens

Miss Rayner
