VTP/ELB/Year 1 Swimming/Sapphire Class

28th March 2018

Dear Parents and Carers,

As you know we run parent swimming sessions for children in year R and 1.

You are invited to come into school and use the swimming pool with your son/ daughter. You will be responsible for changing your child as well as spending some time with them in the swimming pool, helping build their water confidence. There will be members of staff poolside, who have been trained to teach swimming, to supervise. These adults will only be there to supervise, they are not there to teach your son/daughter how to swim.

We have arranged 1 hour slots per class per term. The dates will be different for each class to ensure everybody get an opportunity.

If you are interested in this opportunity, please complete the slip at the bottom of this letter. We have allocated 10 children with accompanying adults' time in the pool per session. Places will be allocated on a first come first serve basis.

These sessions are for one adult to join their child in the pool and due to health and safety reasons we cannot have any younger siblings join these sessions, either in the pool or around the edge of the pool.

I hope you all agree that this is a fun opportunity for you to share with your children and we look forward to seeing you.

Thank you

Mrs Pettett
Head of School
