STP/ELB/PLH/Year 1/Project Book

13th July 2018

Dear Parents and Carers

We have sent a little summer project book home with your child so that if they wish to do some extra work over the holiday they can.

Some ideas for the project book could be: stories; photographs; daily recounts or diary entries. Maths, including numbers, calculations (adding / taking away). Places the children have been, things they've done at home, games they've played, their favourite things or any extra work that they want to put into the book.

The extra work is optional. However, if your child does complete some work in their summer project book then please encourage them to bring it into school during our first week back so that we can share it with them.

We are really impressed with how the children have settled into Year 1 this week and look forward to seeing them at the end of August.

We hope you have a lovely summer break.

Thank you for your ongoing support.

Miss Huggens

Miss Rayner
