Dear Parents and Carers,

We would like to take this opportunity to welcome you and your child back to Year 2 after the half term break. We have provided some information about expectations for children's reading in their contact books. We hope this will be of help. Below are the topics that we will be studying in term 6. Please talk with your child about what they will be learning. Perhaps you could visit the library or use the Internet together to do some extra research.

PE

Children will need a PE kit in school every day. The kit should include a change of t-shirt and shorts and plimsolls. As PE lessons are likely to be outside in the better weather, it would also be advisable for children to have a pair of jogging bottoms. Long hair must be tied back with a hair band. Please can you provide a note if your child is unable to take part in PE. .

Westlands Primary School is a creative learning environment where all children are supported to achieve their best.

PE Days

PE days are Monday (Crystal), Tuesday (Jade), Thursday (Coral). The Jade class will swim each Wednesday afternoon. Crystal class will swim on weeks (7/6, 14/6, 21/6) and Coral class will swim on weeks (28/6, 5/7, 19/7). When not swimming, the classes will have an additional PE lesson during the week.

Uniform

Children should be wearing black shoes. We would also like to remind you that necklaces are not part of the school uniform and therefore should not be worn. Nail varnish should also be removed.

Homework

It is expected that the children should also read their reading book each night. Please sign in their reading record book when they have read and your child will be able to choose their next book. They will also bring home their guided reading text for the week. This book will be changed on a weekly basis after the children have read it in class and at home. It is important that your child reads on a regular basis and brings their book bag daily. Additional spelling and maths activities will be set some weeks as well.

The children have reading activities set to complete at home on Bug Club (www.bugclub.co.uk). They also may use Mathletics for additional maths activities (<http://www.mathletics.co.uk/>). Please contact your child's class teacher if you require a reminder of your child's log on details.

Yours faithfully,
