VTP/ELB/Year 2/Term 4 Homework

21<sup>st</sup> February 2018

Dear Parents and Carers

Topic homework this term will link to the unit we are learning about which is Dinosaurs. We would like you to get creative and produce one of the following;

- A miniature Jurassic park (shoe box style!)
- A 3D junk model of a dinosaur
- A design of your own dinosaur complete with labels and a description of what they like to eat, what they do and what makes them scary!

If you want to practise your writing skills you could do some research or visit the library and gather lots of facts on the different dinosaurs before creating a fact file on them.

Homework can be brought in throughout the term to sit alongside our topic display as it helps with discussions during lessons. However, if you would like the whole term to make a brilliant creation then it should be in school by the 23<sup>rd</sup> March 2018. The children will create an art gallery in their classroom so they can share their work with the rest of KS1.

Yours sincerely

Miss Kierans
