VTP/ELB/Year 3/Curriculum Newsletter, Term 6

May 2018

Dear Parents and Carers,

Term 5 has seen Year 3 do lots of fantastic learning. In maths, the children having been continuing their learning about fractions as well as learning all about angles and lines, learning about horizontal, vertical, parallel and perpendicular lines.

In English, the children have been writing some potion poems, stories mixing the world of Harry Potter with Westlands Primary School and finally some informal letters about what is happening in Hogwarts.

The children will be studying many new areas within the curriculum in Term 6. We encourage your child to research any topic that they wish to and then bring their work into school. We love to share their work in class!

Homework/Reading

Maths homework will be completing activities on Mathletics. We would also like your child to read every day, both using their reading book, Bug Club and continuing with Busters book club on a Wednesday. We will send a reading book home with your child, please ensure that you sign your child's homework diary when they have read! There will also be a Topic based homework activity.
