STP/ELB/JYB/Year 6/Google Classroom

5th June 2018

Dear Parents and Carers

We are currently trialling Google Classroom as a means of setting homework and having improved student/teacher communications. The children in Year 6 have all been given a Google email, which they can use to access online content in a Google Classroom. This email is solely for the purpose of accessing the Google Classroom.

It may be necessary to install the Google Classroom app, which is available in both Android and Apple formats. In some cases, children have found that they can access the Google Classroom by inputting their email address, whilst others have reported needing the class code.

There are a variety of homework opportunities available ranging from quiz forms that can be filled in by your child and are automatically marked for the class teacher, to documents which they can read and answer separately on a piece of paper.

There is also the opportunity for your child to ask the teacher or their classmates' questions, as well as have a chat about the learning, all on Classroom Page. All of this is monitored by the class teacher, and helpfully the teacher even gets to see whether or not homework has been completed on time.

Class code:	7b4ktc6
Email:	wps2012. @swale.at

We hope that your child enjoys Google Classroom!

Yours sincerely

Mrs J Burr
Assistant Headteacher
