VCC/ELB/RHL/Year 6 SATs Breakfast Club

Dear Parents and Carers

Year 6 SATs breakfast Club

As you will be aware the SATs are fast approaching and we are starting to organise the final details for the SATs week.

In order to make sure the children are as prepared as they can be, we will be running a breakfast club every morning just before the SATs and also during the week of the SATs. **This will start the week before the SATs on Friday 5th May and run until Friday 12th May.**

This is something that is going to be provided for *all* children in year 6 and it will be **completely free!** We are doing this because we feel it is important to make sure that all children have had a substantial breakfast and also that they are here in plenty of time for the test.

We want to make sure that the children have every opportunity to do their best in these tests and by providing this calm start to the day, with a filling breakfast, we can do that.

Each day there will be a selection of cereals, toast (with a range of spreads) and fruit juices.

Breakfast will start at 8.10am every morning and will be held in the main school hall (not the dining hall). Although the doors will open at 8.10am, you are welcome to arrive at any time after that up until 8.40am. The main hall has its own entrance which you will need to use rather than going through the main school office.

In order to see how many children to expect, could you fill in the slip below and return to school.

We really hope that all children can attend.

Yours sincerely

Mrs Lonergan

Mrs Burr
