

- Try to be creative and include as many text types a possible; for example a story, newspaper report, diary, poem, recipe, instructions, explanation text, non-chronological report, advertisement or poster – there are lots of ways to write and if you want some help please ask.
- You could include word searches, crosswords and quizzes.
- You may be able to link the learning to Maths, Science and Geography too.
- All work must be your own – no copy and paste from the internet or copying from books.
- You may want to make something to go with your project – it is up to you!

The class teacher/TA will sign to say that they have seen the homework each week:

Week 1	Week 2	Week 3
Week 4	Week 5	Week 6

Thank you for your ongoing support.
