Using vocabulary involved in addition and subtraction
Introduce doubling
Introduce sharing
Problem solving

Understanding of the world

Looking at habitats
Using different forms of technology
Looking at differences

Expressive Art and Design

Painting, messy play, playdoh
Colour mixing independently
Using different media to create pictures
Junk modelling
Creating representations of under the sea creatures

Themes we will be focusing on over the course of term 6;

It is important to note that in EYFS at Westlands Primary we teach to the children's interest so this plan may change. We offer a play based curriculum where children are encouraged to use the inside and outside learning environment on a daily basis, whatever the weather. We encourage our children to become independent learners in a safe and stimulating environment where staff plan activities around a different theme each term.
