One more or one less than a number to 20.  
Recognising numbers to 20  
Shape  
Addition and Subtraction  
Sharing  
3d shape

Understanding of the world  
Using programmable toys  
Looking at similarities and change  
Thinking of different ways to attach things together/ building using different materials  
Making own boats – looking at floating and sinking.

**Types of transport we will look at this term:**

It is important to note that in EYFS at Westlands Primary we teach to the children's interest so this plan may change. We offer a play based curriculum where children are encouraged to use the inside and outside learning environment on a daily basis, whatever the weather. We encourage our children to become independent learners in a safe and stimulating environment where staff plan activities around a different theme each term.
