

English

We will be building on our writing skills through narratives, diary entries and descriptive texts. We will be exploring more sophisticated vocabulary as well as continuing to consolidate our knowledge of punctuation.

Maths

We will continue to look at multiplication and division. With a focus on multiplying and dividing one, two and three digit numbers together, whilst also multiplying and dividing by 10 and 100. Children will then progress onto length and perimeter.

Term Three Year 4 Misty Mountain and Winding River!

Welcome back to Term 3!

We have another exciting term ahead of us!
If you have any questions, please speak to your child's class teacher: Miss Owens, Mrs Lake and Miss Farrant.

P.E.

P.E. will be on a Wednesday and Friday for all classes.

Geography

The children will learn about the characteristics and features of rivers and mountain ranges around the world, including a detailed exploration of the ecosystems and processes that shape them and the land around them.

Science

In science we will study the States of Matter. This includes looking at solid, liquids and gases.

French

Year 4 will continue to learn core vocabulary linked to food. We will be learning the names of vegetables and revisiting le, la les.

Term Three Year 4 Misty Mountain and Winding River!

Physical Education

PE days will be on a Wednesday and Friday for all classes. We are excited to be following the Real Dance program. This includes looking at shape, balance, moving to the beat and working collaboratively to form a dance routine. We will also look at balance and ball skills.

Computing

In Term 3, children will be building a web page and creating the content for it. They will need to design and create a webpage for a purpose, whilst building on their prior learning of working collaboratively with others.

Homework

Homework will still be given out on a Friday and is expected to be completed and handed in on the following Wednesday, or earlier. Your child will receive a termly menu. They can choose one activity a week and bring this into school. On a weekly basis they need to learn their spellings and times tables. There will be weekly tests in school based on these.

Music

Our learning is focused around exploring and developing skills for playing the djembe drum. We will continue to follow the Charanga programme, with the opportunity to explore different genres of music and to follow and compose accompaniments to songs.

PSHE

This term, we will focus on 'Dreams and Goals'. The children will understand what their hopes and dreams are, how we can stay motivated when things are challenging and then being able to apply this skill within a group.

Art

This term, our focus will be on painting and we will be using watercolours as our chosen medium. Our focus artist is Zaria Forman. We will base our paintings on our Curriculum Driver project of 'Misty mountain, winding river'.
