

English

Over Term 3, Year 3 will learn how to write a concise non chronological report, poetry, instructions and descriptive writing. They will develop their knowledge and understanding of writing techniques such as expanded noun phrases and fronted adverbials.

Science

In Science lessons, Year 3 will be learning about contact and non-contact forces, including friction and magnetism. They investigate frictional and magnetic forces, and identify parts of a magnet and magnetic materials.

Term Three Year 3 Rocks, Relics and Rumbles!

Welcome back to
Year 3!

We have an exciting term ahead of us! If you have any questions please ask your child's teacher.

P.E.

Jellyfish Class on a Monday

Sea Urchin on a Wednesday

Geography

In this project children will learn about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activities.

Maths

Within our Math lessons, the children will continue to learn about multiplication and division. They will develop their skills further by learning how to multiply and divide with remainders. TT Rockstars: In Year 3, we focus on our 3, 4 and 8 times tables as well as continued fluency in with the 2, 5 and 10 times tables.

Rocks, Relics and Rumbles!

Computing
Our focus for Term Three, is to learn about computing systems and networks. This will be alongside online safety.

French

The children will study Little Red Riding Hood (Petit Chaperon rouge) and the story language which accompanies this traditional tale. This will build upon colour knowledge and greetings already learned.

PSHE

In PSHE we will be looking at the area of 'Dreams and Goals. This will include learning about challenges that some people face, why having dreams is important and how to face new challenges.

Homework

Homework will be given out on a Friday to be completed and handed in on the following Wednesday.

Our expectation is that children are reading for at least 30 minutes a week and spending a minimum of 15 minutes on TTRockstars.

Design Technology

This project teaches children about food groups and the Eatwell guide. They learn about methods of cooking and explore these by cooking potatoes and focaccia bread.

Physical Education

Within Physical Education, we will be focusing upon Dance. Within the unit, the focus will be upon the cognitive cog, when the children be able to explain what they are doing well and identify areas for improvement. Further to this, the children will develop their fundamental movement skills by practising dynamic balance and coordination.

Music

Within Music, the children will continue to learn to play the ukulele. They will be learning to play different chords and following different strumming patterns.

Religious Education

In year 3 we will be studying the Sikhs. We will be exploring some key questions, such as 'Does joining the Khalsa make someone a better Sikh?', 'Do Sikhs think it is important to share?' and 'What is the best way for a Sikh to lead a good life?'
