

English

Over Term 4, Year 3 will learn how to write a concise non chronological report, poetry, instructions and narrative writing.

They will develop their knowledge and understanding of writing techniques such as using headings and subheadings and expanded noun phrases.

Science

In Science lessons, Year 3 will continue to be learning about Forces and Magnets. Within this topic we will be investigating different types of magnet and their properties. We will also continue to understand the formation of rocks and fossils.

Term Four Year 3 Rocks, Relics and Rumbles!

Welcome back to
Year 3!

We have an exciting term ahead of us! If you have any questions please ask your child's teacher.

P.E.

P.E. will be on a Monday and
Thursday.

Geography

We will continue our exciting study, 'Rocks, Relics and Rumbles', by looking at earthquakes and tsunamis, considering why and how these extreme activities occur.

Maths

Within our Maths lessons, the children will continue to learn about measure before progressing on to fractions.

They will develop their understanding of numerators and denominators as well as ordering and adding fractions.

TT Rockstars: In Year 3, we focus on our 3, 4 and 8 times tables as well as continued fluency in with the 2, 5 and 10 times tables.

Recommended Reads

French

Within our French lessons we will recognise and name up to 10 fruits and ask somebody if they like a particular fruit. We will say which fruits we like and dislike.

Computing

Our focus for Term Four, is to learn about computing systems and networks. This will be alongside online safety.

PSHE

In PSHE we will be looking at the area of 'Healthy Me'. This will include learning about being fit and healthy, being safe, my amazing body.

Term Four Year 3 Rocks, Relics and Rumbles!

Homework

Homework will be given out on a Friday to be completed and handed in on the following Wednesday.

Our expectation is that children are reading 3 times a week and spending a minimum of 15 minutes on TTRockstars.

Please ensure that reading records are coming into school regularly and are signed to show the 3 reads.

Art

Over term 4, the children will be developing their understanding of painting. They will learn about the famous artist Emily Kame Knqwarreye and link this to their Geography focus of Rocks, Relics and Rumbles.

Physical Education

In this unit, the children will develop and apply their sending and receiving and counter balance with a partner through focused skill development sessions, healthy competition, cooperative games and Personal Best challenges.

Music

Within Music, the children will continue to learn to play the ukulele. They will be learning to play different chords and following different strumming patterns. Within these lessons, they will practice these new chords whilst playing along to different songs.

Religious Education

In RE, the children will continue to focus on Sikhism and exploring how Sikh people worship and celebrate.
