Dear Parents/Carers,

As we enter into the Autumnal and Winter months, we often see an increase in minor illnesses such as coughs and colds. To keep everyone healthy, learning and attending school, we wanted to share some information from the NHS on how and when your child can still come to school.

The NHS guide which can give you key important information regarding the question: Is your child too ill for school? Can be accessed by scanning the QR code below, or clicking the link.

Check the NHS website: Is your child too ill for school? (<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>) This helpful resource provides guidance on when students should stay home.

Do remind your child/ren to wash their hands frequently with soap and water, especially after using the bathroom, before eating, and after blowing their nose.

Thank you for your support in keeping our school community healthy and our pupils attending school.

Best regards,

Westlands Primary School

Mrs Oswald - Attendance Lead
