

## English

Throughout term 6, we will be writing our own poems based on different cultures, writing our own set of instructions, as well as developing our descriptive writing.

## Maths

Within term 6, we will be focusing on time, shape, statistics and also position and direction.

Children will learn how to convert time on a 12 hour and 24 hour clock. As well as looking at lines of symmetry and line graphs.

# Term Six Year 4 Ancient Civilizations!

## Welcome back to Term 6!

We have another exciting term ahead of us!  
If you have any questions, please speak to your child's class teacher:

Miss Rowson, Miss Owens and Miss Hornett.

## P.E.

Outdoor PE is on Tuesdays and Indoor PE on Thursdays for all classes.

## History

We are going to learn about Ancient Egypt and the Indus Valley throughout term 6. We look at the hierarchy, tombs and the role of a pharaoh within Ancient Egyptian times.

## Science

This term we will be exploring 'Sound'. Children will learn how sound travels, how we hear sounds, volume and distance, exploring pitch and volume.

## French

Within French, we are going to focus on 'seasons' and also revise core vocabulary based on colours and numbers.

# Term Six Year 4 Ancient Civilisations!

## Physical Education

Children will focus on health and fitness and also striking and fielding games throughout their PE lessons.

## Computing

Throughout Computing, we will be looking at data logging. Children will understand how to gather data and how to use a spreadsheet to record this on. As well as designing and programme themselves which gathers data.

## Homework

Homework will still be given out on a Friday and is expected to be completed and handed in on the following Wednesday, or earlier. Your child will receive a termly menu. They can choose one activity a week and bring this into school. On a weekly basis they need to learn their spellings and times tables. There will be weekly tests in school based on these.

## Music

Our learning is focused around exploring and developing skills for playing the ukuleles. We will continue to receive these lessons from our ukulele teacher - Mr Chambers. We have had great fun with learning the basic skills, ready for these to become more complex this term!

## PSHE

This terms focus is on 'Changing Me'. Children will focus on themselves and how they are unique to everyone as well as focusing on labelling the internal and external parts of male and female bodies that are necessary for making a baby, girls puberty, identifying changes and also transition.

## Art

Our focus for Art this term, will be on craft & design. We will use collage to create tickets and posters for the Year 6 production. We are also incredibly excited to be working with local artist, Jo Dyer to help create the set for the Year 6 production too!
